

THE DODGE CITY TIMES.

A letter from Dallas, Texas, says there is no let up to the rage for buying cattle and starting a ranch in Western Texas. The mania has run cows to fabulous prices. A few years ago they sold for \$10 and \$12, but now for \$40 and \$50.

The third edition of Copp's Settler's Guide, a popular exposition of our public land system, is before us. It is edited by Henry N. Copp, of Washington, D. C., the well known author. Its price is only 25 cents in paper and 75 cents in cloth: 8vo, 144 p.p. The chapter on surveys is illustrated, and shows how to tell township and section corners, etc. The chapter on homesteads, pre-emptions and timber culture contain the latest rulings and instructions. Every settler and land man should have a copy of this valuable little book.

Final Proofs.

W. F. Pettillon, district clerk of Ford county, is prepared to make out applications for final proof on homestead and pre-emption lands. The testimony of witnesses and applicants can also be taken before Mr. Pettillon. He will attend to all kinds of business with the United States Land Office at Lamed. aug31-tf

Nothing Short of Unmistakable Benefits

Conferred upon tens of thousands of sufferers could originate and maintain the reputation which Ayer's Sassa-parilla enjoys. It is a compound of the best vegetable alternatives, with the Iodides of Potassium and Iron,—all powerful, blood-making, blood-cleansing and life-sustaining—and is the most effectual of all remedies for scrofulous, mercurial, or blood disorders. Uniformly successful and certain. It produces rapid and complete cures of Scrofula, Sores, Boils, Humors, Pimples, Eruptions, Skin Diseases and all disorders arising from impurity of the blood. By its invigorating effects it always relieves and often cures Liver Complaints, Female Weaknesses and Irregularities, and is a potent renewer of waning vitality. For purifying the blood it has no equal. It tones up the system, restores and preserves the health, and imparts vigor and energy. For forty years it has been in extensive use, and is to-day the most available medicine for the suffering sick. For sale by all druggists.
